

Entering 4th Grade Summer Math Skills Review

Students **MUST** be **LOGGED** into **IXL.com** with their username and password. Students will “Master” the following skills on IXL between the date of June 2, 2018 and August 12, 2018. If you child has already worked on any of these skills during the school year, IXL generates new problems so it is possible to “remaster” these skills during the specified dates. Completion of all required skills will count as a test grade in Math for the first quarter. Students must reach a 90% on the skill to receive credit. As a suggestion the public library offers free internet service where children can complete the requirements.

IXL Required Skill
B.3 Place value names up to hundred thousands
B.4 Place value names
C.9 Add two numbers with four or more digits
D.1 Subtract numbers up to three digits
G.15 Multiplication tables up to 12
G.17 Multiply facts up to 12; find the missing facts
K.13 Division facts up to 12
L.6 Divide three digit numbers
T.3 Read clocks and write times
P.2 Rounding

Student Name: _____

User Name: _____ Password: _____
