

Entering 5th Grade Summer Math Skills Review

Students **MUST** be **LOGGED** into **IXL.com** with their username and password. Students will "Master " the following skills on IXL between the dates of June 2, 2018 and August 12, 2018. If your child has already worked on any of these skills during the school year, IXL generates new problems, so it is possible to "remaster" these skills during the specified dates. Students should reach 80% on each skill.

IXL Required Skill
A.8 Write word names for numbers up to one hundred million
A.3 Place value names
C.1 Subtract numbers up to millions
D.22 Multiply a 2-digit number by a larger number
E.8 Divide larger numbers by 1 digit
E.23 Divide larger numbers by 2 digit numbers
R.4 Subtract fractions with unlike denominators
P.7 Equivalent Fractions
T.3 Understanding decimals expressed in words
T.4 Place values in decimal numbers
