## **ST. ANASTASIA CATHOLIC SCHOOL MISSION STATEMENT**

The Saint Anastasia Catholic School and Church Community is committed to providing a safe and nurturing environment rooted in the gospel of Jesus Christ, where Catholic doctrine and values are integrated with a challenging curriculum.

Through effective and innovative instruction, a balanced and healthy lifestyle, and active participation in the Sacramental life of the church, the faculty and staff work together with families to develop foundations on which our children can build their lives.

Inspired by the founding Adrian Dominican nuns in 1927, Saint Anastasia Catholic School continues to seek the truth in the Gospel, the wisdom of the Holy Spirit, and the value of all human life.

## **PHILOSOPHY OF ATHLETICS**

Saint Anastasia Catholic School is committed to the development of the WHOLE person - the religious, moral, social, and academic dimensions, as well as the physical health, security, and wellness of every child at the school. We believe that participation in physical education, intramural programs, community athletic camps and leagues, and the school's competitive sports programs are all important components of a well-rounded educational experience. By following the school's wellness policies and participating in physical education and athletics on and off campus, students will develop leadership skills, healthy living habits, self-discipline, integrity, teamwork, respect for rules and regulations, and the ability to participate with dignity and grace.

## **CONFERENCE AFFILIATION**

St. Anastasia Catholic School is an official member of the Treasure Coast Athletic Conference (TCAC).

Our school competes against other members of the TCAC as well as other private and public schools.

## **TREASURE COAST ATHLETIC CONFERENCE CODE OF CONDUCT**

A Foundation purpose upon which the Treasure Coast Athletic Conference is based, and one essential for fulfillment of its mission, is a focus upon the high ideals of athletics as part of the total educational process. The concept is an ancient one: that sport is to be enjoyed and sport participants are to respect one another, “to be a good sport”. Such a concept warrants, in fact demands, the universal acceptance by all Athletic Directors, Coaches, Participants, and Spectators – if the Conference is to be a model of the positive values of sports competition.

The “sporting behavior” we seek must be more than a concept, but rather a consistent pattern of thought and action that is apparent to all. Such thought and action will leave no doubt as to the commitment of the TCAC to maintenance of the noble aspects of interscholastic athletic competition.

Positive “sporting behavior” must permeate all aspects of all sports sponsored by the TCAC. Such behavior should be modeled and strengthened in practices, just as techniques and strategies are. Part of the “game plan” for each contest should be respect and appreciation for your opponent. It is well for personnel at all TCAC schools to keep in mind they will be visitors (guests) 50% of the times. It should be a constant goal of all personnel at host institutions to treat visitors in a cordial and hospitable manner, i.e., as one would treat guests, before, during and after each contest.

No room exists for uncivil behavior by coaches, participants, parents or spectators, at any athletic event involving a TCAC member school. The use of profanity, taunting, or threats of physical harm prior to, during or following athletic events is not to be tolerated. Involvement in such behavior must be dealt with on both an Institutional and Conference basis.

Coaches in all sports are expected to act as mature professionals who respect the TCAC and model positive “sporting behavior” and long-term goals ahead of short-term gains. Focus on such a goal helps keep us unified and committed as a Conference to what we claim to be – an association of schools who value athletic competition as a legitimate experience for students; providing opportunities for lifelong learning.

# PLAYER ELIGIBILITY

The eligibility requirements for trying out or participating in Interscholastic Sports are:

1. Students must have a minimum of a 2.0 (C) average in Math, Science, Social Studies, Religion, Language Arts, and P.E. This is determined on a grade point average system of 0-4 (5 for honors classes). A grade of "F" in any subject, communicated to the parent at mid quarter (23 school days into a quarter) or on the student's report card, makes the student ineligible. An Athletic Eligibility form must be completed prior to tryouts and turned in to the coach.
2. To remain consistent with the athlete's code of conduct, all athletes must exemplify appropriate behavior on and off the field. The administration may remove a student from participation in athletics or try-outs based on student conduct in class or playing field. Prior to all tryouts, a draft list of prospective athletes will be presented to the Assistant Principal of Student Affairs for review.

Academic ineligibility will last for two weeks. During these two weeks the student will not attend try-outs, practices, games, or tournaments. (Study is encouraged at this time.) A student's eligibility will be re-evaluated by the coaches and administration at the end of the two week period. It will be necessary for the student to go to the teacher or teachers of the class or classes he/she is doing poorly in, and ask that a reinstatement form be completed if warranted.

Behavioral ineligibility will be for a two-week time period. The student will attend all practices and all games, but will not participate in games. The student's eligibility will be re-evaluated by the coaches and administration at the end of the two week period with the student taking the proper form to the classroom teacher(s).

Three (3) unexcused absences from practice or games will make a student ineligible for the current sport.

Missing the last practice before a game may cause the student not to participate in the game. Students must attend school on game days. Students are expected to be in school on Friday in order to participate in a Saturday game.

A student must be in attendance at school for the entire school day on the day of any of the above-mentioned after-school activities in order to participate in said activity. Student may miss part of school for a doctor's appointment (students must return with a doctor's note that is time stamped). If your child has any other extenuating circumstances that effects their attendance please contact the Assistant Principal of Student Affairs for clarification.

## THE PLAYER'S PROMISE

The St. Anastasia Athletic Department wants participation in team sports to be fun and exciting and expects support from both the parents and the players to achieve this goal. We provide our sports programs so students can be given opportunities to fully achieve their potential in an organized and competitive environment. In order to help insure the success of the program, we must recognize that our actions and words have a lasting effect upon others, both positive and negative. We need everyone to join us in being a positive role model.

It is the goal of the athletic program to teach the concepts of sportsmanship. Good sportsmanship requires that everyone be treated with respect. This includes members of the opposing team, officials, coaches, spectators, and fellow team members.

The player's promise:

1. I promise to come to every practice **on time**. If I am going to be late or cannot attend, I will contact my coach.
2. I promise to **work hard** at practice to improve my skills and understanding of the game.
3. I promise to give my coach my **full attention** during practice and games.
4. I promise to do whatever is asked of me for the **good of the team**.
5. **I promise to always encourage, and never criticize my teammates at practice, during a game or at school.**
6. I promise to **always hustle** and **never quit** for myself or my teammates.

## CODE OF CONDUCT FOR ST. ANASTASIA CATHOLIC SCHOOL ATHLETES

The student-athlete in a Catholic school shall:

1. start every competition with a team prayer.
2. act in a Christian manner exhibiting good sportsmanship both on and off the court/field keeping in mind that he/she is an official ambassador of the Catholic school.
3. respect opponents, officials, coaches, teammates, and spectators at all times.
4. remember that participation is a privilege not a right.
5. remember that participation in athletic programs is an opportunity to learn and have fun, and not focus on winning or pleasing other people.
6. welcome opponents when they arrive and congratulate them sincerely at the end of the competition.
7. be a good sport; applaud all good plays regardless of which team made the play.
8. accept both victory and defeat with pride and honor – never be boastful or bitter.
9. maintain grades (classwork, homework, projects, and tests) giving the best effort in academics and in the life of the school.
10. maintain good behavior in school and school events (even those not associated with athletic programs).
11. listen to and learn from the coach.
12. work hard to improve skills and help the team.
13. follow all the rules and regulations set by the coach, school, and sport/league.
14. co-operate with officials, coaches, teammates, and opponents as without them there would be no competition.
15. respect the judgment of the officials. Never argue or show disrespect to the officials or opposing coaches. Only the coaches should ask the officials for clarification of the rules.
16. attend all practices and competitions. If not able, the athlete or the parent/guardian should notify the coach in advance.
17. respect school property at all venues and refrain from damaging or destroying that property.
18. return all school property, including uniforms, to the coach in a timely manner and in good condition.

## **TEAM TRAVEL PROCEDURES**

1. No students should travel with a team until a travel form has been received by the Athletic Director and is in the possession of the team coach. Coaches are to be certain that all athletes have an up-to-date physical and travel form.
2. All team members should travel on school provided transportation when available.
3. Team members traveling to a game on a bus must return to the school on the same bus unless authorized to do otherwise by the Head Coach. If a parent plans to take their child with them from the location of the away game, a note must be turned in to the school office on the day of that game. If a student is going home with another parent, a note needs to be given to the school office by noon on the day of the game.

Returning to school on the bus is preferred, however, with a written note, your wishes will be accommodated.

We must keep a careful count of students when we travel away from school. If they leave with a parent without prior notice, it can cause confusion and concern for those in charge.

4. No student should be dropped off en route to the school.
5. After returning to the school in the evening, no coach should leave the grounds before the last of his/her students have been picked up by authorized individuals or signed into the school's After Care Program if it is before 5:30 p.m. This includes not only home and away matches, but practices also.
6. All vehicles used for team travel must be cleaned upon return to the school.
7. All team members should travel in team uniform, proper team travel wear or proper school dress.
8. All team members should be properly attired when the team stops to eat while traveling.
9. The head coach is responsible for close supervision whenever the team is traveling in order to play a game. This includes proper conduct on the bus and in visitor's locker room areas.
10. Students should be provided with a travel itinerary including game site, directions, departing time and an estimated time of arrival, at least one day before an athletic event.
11. The school's cell phone policy will be enforced.

## **GENERAL INFORMATION**

### **ATHLETIC FEES**

The athletic fee is \$100 per most sports and should be paid before the first official game. This fee covers the cost of uniforms, equipment, travel costs, conference fees and referee fees.

### **SCHOOL ATHLETIC UNIFORMS**

Each student athlete will be issued the equipment necessary to participate in a particular sport, including uniforms. The athlete is responsible for the following:

1. Uniforms should be laundered regularly
2. At the conclusion of the season the student athlete needs to return their washed uniform, in a bag labeled with their name, to the Athletic Director or the school office.
3. If a school provided uniform is lost or damaged the student athlete will be required to pay the amount necessary to replace the uniform.
4. Athletic uniforms may be worn only during practice or games. There are times when, with the Athletic Director's approval, uniforms may be worn during the school day, e.g. team photographs, pep rally, etc.
5. Jewelry should not be worn during practice or games.

The school does not provide athletic footwear, socks, knee pads, or shin pads. Athletes must wear athletic shoes and socks at all practices and games.

### **ATHLETIC AWARDS**

At the conclusion of each season's sports a luncheon is held for the athletes. The students are also given a certificate for the sport in which they have participated.

At the third luncheon of the year, an award is presented to each student who has participated in three sports.

### **ACCIDENTS AND SCHOOL INSURANCE**

All St. Anastasia School students are automatically enrolled in a school accident insurance program provided by the Diocese. It must be noted that this is EXCESS insurance. This means that payment of all bills incurred is made only in EXCESS of all other family or employer group insurance, and these plans must contribute their maximum before the school coverage has any liability. This is a program of supplemental coverage designed to pick up any shortage, or if no

other insurance plan exists, to pay the medical bills in full to the limit stated by the insurance company.

When away from the school premises, coverage is in effect while a student is participating in an activity solely sponsored and supervised by the school authorities.

## **ACCIDENTS AND INJURIES DURING PRACTICE OR A GAME/MATCH**

The following guidelines will be followed in the event of an accident or injury to an athlete during practice or a game.

1. The coach will evaluate the injury and administer minor first aid
2. If hospital care is necessary, 911 will be called immediately, followed by a call to the parent, if they are not at the practice or game.
3. If the parent/guardian is unavailable, a coach or administrator will accompany the injured athlete to the hospital and wait for the parent to arrive.
4. The Athletic Director will be notified.
5. If an injury or accident occurs that required medical attention, a STUDENT ACCIDENT REPORT is completed by the coach and is submitted to the school office within 24 hours of occurrence.

The Diocese of Palm Beach requires that any student athlete suspected of sustaining a concussion must be evaluated by and Appropriate Health Care Professional (AHCP). The Florida High School Athletic Association defines an AHCP as a Medical Doctor or a Doctor of Osteopath (MC) or DO).

Every student athlete and at least one parent or guardian must verify in writing that they have received information on concussions and sign a statement acknowledging receipt of the information.

Every student athlete and at least one parent or guardian must verify in writing if the student athlete has a history of traumatic head injury/concussion. A verification form included in this handbook.

## **ILLNESS OR INJURY**

If a student athlete is ill or injured, a parent note will excuse a student athlete from practice or a game for one day. If a student athlete will miss more than one practice or

game they will need to bring a note from a doctor explaining the nature of the illness or injury and the date that the student may resume practice and/or participate in games.

An athlete who has an injury or minor illness may be required to dress out on practice or game days, but not participate. This is an opportunity to learn, even though the athlete is not actively participating

## **PERSONAL BELONGINGS**

It is suggested that athletes do not bring expensive personal items to practices or games. The school is not responsible if these items are lost or damaged.

## **WEEKLY GAME AND PRACTICE SCHEDULE**

A weekly game and practice schedule is posted each Friday for the following week's activities. These should always be checked by the athletes as there are sometimes unavoidable changes to the original schedules. These weekly schedules are posted in the following locations: on one of the 5<sup>th</sup> grade doors, on the sports bulletin board in the Middle School hallway, on Coach Odom's office door and on the school's website. There should be no reason why a student would not be able to check the schedule at one of these locations. If they check the schedule on Friday, they can communicate any changes or practice times to their parents ahead of time.

### **Cancelled Games and Schedule Changes**

Athletes will be notified of cancellations and schedule changes as soon as the change occurs. Parents are advised of such changes via Facebook, Twitter and the school's electronic newsletter. Athletes may use the office phones to call their parents to let them know about the change.

## **CELL PHONES**

### **Cell Phone/Personal Electronic Device Policy**

**Saint Anastasia School strongly discourages students from bringing any personal electronic device on campus**, however, if brought on campus, student-owned cell phones/other electronic devices will be required to be confined to the student's' backpack. Cell phones will not be allowed to be used during school hours and may not be seen or heard from. Cell phones/electronic devices must be shut off during school hours, during extracurricular activities and during After Care.

If students must use a cell phone to contact a parent/guardian at any time, students must ask for permission first from the supervising teacher/coach to do so. No calling or

texting may be done without permission. **If students are found using a cell phone without permission the following disciplinary action may take place:**

1st offense: Lunch Detention

2nd offense: After School Detention with \$10.00 fine

3rd offense: Saturday Detention with \$20.00 fine

Phones/electronic devices which are confiscated from students during the school day will be taken to the school office where they can be picked up after school hours.

Cell phones/electronic devices will be returned to parent/guardian only.

**The school assumes no liability for lost or damaged cell phones or other electronic devices.**

Athletes should never use a cell phone during a game or practice. Texting on the sidelines is not allowed.

### **Participation in School Athletics or Organizations**

The school recognizes the following sports, activities and clubs:

School Clubs: Student Government, Boy Scouts, Brownies, Altar Servers, Lectors, After School Band

Dances: Two for the year, dates TBA

Athletics: Soccer, Volleyball, Basketball, Flag Football, Cheerleading

Parents acknowledge that participation in these sports, activities, or clubs may be inherently dangerous and, the school cannot ensure the safety of all students involved in its activities and programs.

Prior to participation in any sport, each student must complete the Parent Consent and Release of Liability form and a physician's certificate to the effect that the student is physically fit for participation in the sport. Participation includes pre-season conditioning, open gym, tryouts and practice. **Parents, by executing this acknowledgement of receipt of this handbook, HEREBY RELEASE the school, the Diocese of Palm Beach, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to participation in any sports, leagues, clubs or activities.**

The school is not responsible for student participation in any sports, leagues or clubs not identified above. Parents hereby acknowledge that students who participate in any such program or activity do so at their own risk. Parents further acknowledge that the school does not control or sanction any such program or activity and that it shall not be held liable for any injuries or damages sustained by students or others arising from participation in such program or activities.

### **Athletic Program – Interscholastic Sports and Cheerleading**

The eligibility requirements for participation in Interscholastic Sports and Cheerleading are:

1. Students must have a minimum of a 2.0 (C) average in Math, Science, Social Studies, Religion, Language Arts, and P.E. This is determined on a grade point average system of 0-4 (5 for honors classes). A grade of "F" in any subject, communicated to the parent makes the student ineligible.
2. To remain consistent with the athlete's code of conduct, all athletes must exemplify appropriate behavior on and off the field. The administration may remove a student from participation in athletics or try-outs based on student conduct in class or playing field. Prior to all tryouts, a draft list of prospective athletes will be presented to the Assistant Principal of Student Affairs for review.

Academic ineligibility will last for two weeks. During these two weeks the student will not attend try-outs, practices, games, or tournaments. (Study is encouraged at this time.) A student's eligibility will be re-evaluated by the coaches and administration at the end of the two week period. It will be necessary for the student to go to the teacher or teachers of the class or classes he/she is doing poorly in, and ask that a reinstatement form be completed if warranted.

Behavioral ineligibility will be for a two-week time period. The student will attend all practices and all games, but will not participate in games. The student's eligibility will be re-evaluated by the coaches and administration at the end of the two week period with the student taking the proper form to the classroom teacher(s).

Three (3) unexcused absences from practice or games will make a student ineligible for the current sport.

Missing the last practice before a game may cause the student not to participate in the game. Students must attend school on game days. Students are expected to be in school on Friday in order to participate in a Saturday game.

A student must be in attendance at school on the day of any of the above-mentioned after-school activities in order to participate in said activity.
